

What *Jancis Robinson* says about:

Blafränkisch	LB DAC	2017	12.04.2022	Cool, compact and complex. Aromas of ripe blackcurrant, damson plum, mulberry and toast. Ethereal evergreen bliss, with a bit of moss and marsh hanging in the shadows. More red fruit than black on the palate, pomegranate and nuances of mint. Plenty of fine-grained tannins keep this wine colouring in the structured lines. A beautiful and long future lies ahead for this one. (PS)	Jancis Robinson	17,5 +
Blafränkisch	LB DAC Marienthal	2017	14.04.2022	The single-vineyard Marienthal delivers more black fruit than red, with hints of dark spice and rusted iron scattered like flower seed on the cooling winds throughout. A wild ride of plunging blackberry, wild cherry, uplifting juniper and whimsical sage. No surprise, but still somewhat closed on the deep and powerful palate. Minerality and momentum with an elegantly bitter chocolate finish. (PS)	Jancis Robinson	17,5
Weissburgunder	LB DAC	2019	02.05.2022	Epitomising the quiet, nuanced subtlety that Pinot Blanc does so well. Notes of dried pears and white-pepper spice. Chiselled palate marked with tannins to remind us that barrel-ageing was here at play. Weighty and complex. (PS)	Jancis Robinson	17
